www.youtube.com/user/MrCmse

- For those of you looking for a math, chemistry, physics, or SAT prep tutor; I taught high school and college for 15 years and hold bachelor's degrees in chemistry and chemical engineering, master's degrees in physical chemistry and computer science, and teaching certificates in math, chemistry, physics, and gifted learners. I now tutor full-time, so I stay current with all of the curricula and how to solve problems efficiently with the TI-83/84 graphing calculator series.

Sherry Haynes

haynes_sherry@bellsouth.net

404-234-8796
